

**Adderbury Parish Council**  
**Report for July 2021**

**Meetings** - During July 2021, a meeting of the Parish Council was held on 27 July 2021 and there was a meeting of the Environment Committee held on Thursday 15 July 2021 at 7.30pm on Zoom.

Copies of agendas and minutes are available on the PC web site. [www.adderburypc.co.uk](http://www.adderburypc.co.uk)

**Co-options** – Lucy Wells was co-opted onto the Parish Council and other applications would be considered when the applicants had attended a Parish Council meeting.

**Environment/Highways/Footpaths** - Works to erect the new chicanes on Berry Hill Road and Milton Road had started on 28 June 2021 and road closure would be in place until 30 July 2021. Plans of where the chicanes will be located are available on the PC web site.

The work to a temporary closure of the western arm of the Horn Hill Road/Milton Road junction would now be paused following feedback from residents. The majority of those who responded to the consultation were not in favour of the temporary closure. The Parish Council agreed that the impact of the two new chicanes on Milton Road and Berry Hill Road should be assessed before this temporary closure was implemented.

Community Speedwatch was continuing and if any residents wished to volunteer a few hours to monitor the traffic around the village, please email the Clerk.

Residents of The Rise and parents dropping off/collecting from the Primary School are reminded not to park their vehicles on the green in The Rise, as it is an amenity area not a designated parking area. Parking on the green damages the grass, kerb stones and obstructs the grass cutting contractor from being able to maintain the grass. Parents/carers attending the Primary School are also requested not to park dangerously at the junction of The Rise and Banbury Road.

Please could residents remember to cut back hedges and trees which are overhanging footpaths and roads, as this creates a dangerous situation for drivers and pedestrians.

Issues relating to the maintenance of highways, footpaths and street lighting should be reported by residents to <https://fixmystreet.oxfordshire.gov.uk/>

The two wild flower areas in Lake Walk and St Mary's Road would now be cut back. Thank you to the residents who have assisted with these projects.

**Milton Road Land** – Members of the public are reminded that they should not be accessing the Parish Council's land on Milton Road (site of the community building and sports pitches), due to the health and safety risks of contractors being on site. There is no public access over the land and there is no public access to any Public Rights of Way through the adjoining land which is privately owned land. Therefore, for your own safety, please do not access any of this land.
