

ADDERBURY PARISH COUNCIL

Date of Parish Council Meeting	Tuesday 31 October 2023
Agenda Item Number	Item 8(iv)
Author	Mark Gerold
Title of Report	APC comments to consultation upon Cherwell Local Plan Review 2040
Summary	This stage is the beginning of a consultation process by CDC. Their proposed Rural Areas strategy will impact upon Adderbury by an, as yet, unknown share of a target of 500 new dwellings by 2040
Recommendation	That councillors approve the submission of these comments due no later than 3 November 2023
Reasons for the Recommendation	To ensure that Adderbury PC contributes to the consultation process with the aim of ensuring that the interests of the village are fully represented and, where possible, to influence the final outcome.
Impact on Budget	None – there are implications for the proposed update of the Adderbury Neighbourhood Plan but any costs to third parties who will be employed to advise us will be covered by grant aid.
Risks	That the best interests of Adderbury will not be fully represented if we fail to contribute to the consultation process.
Background	CDC are obliged to review their Local Plan in order to ensure that it meets current legislation, government policy and to reflect the identified needs of the District over the plan period.
