## ADDERBURY PARISH COUNCIL

	<p>The WFAC group is working on grant applications for different elements of the build as well as fund raising initiatives within the village.</p>

<b>Reasons for the Recommendation</b>	<p>The Chairman and Clerk have been authorised to continue the management of the land and the pitch area and the grass needs special preparation as a sports field.</p> <p>The Chairman and PC Architect have been given authority in previous PC meetings to progress with the discharge of conditions which is the current stage of the planning process for the Community and Sports Centre project.</p> <p>Using a professional consultant to advise on grant applications has been recommended to the PC and WFAC.</p>
<b>Impact on Budget</b>	<p>The contractor and cost of grass mowing has been agreed under the PC's mowing regime as part of the annual budget.</p> <p>Any reports from consultants for discharging conditions have been previously agreed by the PC.</p> <p>Cost of Consultant so far approx. £220. This will be paid from monies already set aside in the WFAC fund. Possible limit £2000.</p>
<b>Risks</b>	<p>If the Conditions are not discharged the Sports and Community centre project will not progress.</p> <p>The grass needs to be properly prepared for sports pitches.</p>
<b>Background</b>	<p>Parish Council agreed at the January 2018 meeting (minute 128/17) to apply for change of use of the land from agriculture to leisure and sport/recreation.</p>

## ADDERBURY PARISH COUNCIL

	<p>A scheme to prepare and plant the pitches was agreed by APC and a contractor appointed (Jan 2018 Minute: 135/17). The field drainage scheme for the area for sports pitches as under the Permission for 18/00220/F is now in place.</p> <p>The PC is acting under the Neighbourhood Plan policy AD18 which allocates this land to provide new Leisure and Community Facilities for the residents of Adderbury and is now a 'made' plan attached to CDC's Local Plan, following support from the community at referendum.</p> <p>There have been a number of public consultations showing support from residents for this new community facility including two Parish Polls.</p> <p>There were a large number of comments in support of the Application, which has been consistent with the earlier community support shown at the two Parish Polls and for the Adderbury Neighbourhood Plan.</p> <p>There have now been a number of consultations with residents on this project (including 2 Parish Polls, the most recent being May 13<sup>th</sup> 2019) demonstrating public support which provides a mandate for the PC to move this project forward.</p> <p>Two Planning Applications and an amendment have now been approved by CDC including for the 2<sup>nd</sup> phase – the community building, highways entrance and car parking.</p> <p>Public consultation has taken place with reference to the traffic calming scheme which includes the Highways entrance.</p>
