

ADDERBURY PARISH COUNCIL

Date of Parish Council Meeting	Tuesday 23 February 2021
Agenda Item Number	<i>Item 10 (vi)</i>
Author	Theresa Goss
Title of Report	Traffic Issues, Twyford Wharf
Summary	To discuss the traffic issues around Twyford Wharf, Twyford Road, Adderbury.
Recommendation	The report be noted.
Reasons for the Recommendation	Action has been taken by the Clerk, who will provide updates in due course.
Impact on Budget	None.
Risks	If no action is taken and damage to the bridge continues, then the worst case scenario, is that it could result in the bridge being severely damaged and subsequently closed.
Background	<p>A resident contacted the Parish Council on 12 January 2021 with regard to the traffic issues around the area of Twyford Bridge.</p> <p>One issue is the speed of the traffic and this matter has been included in the list of items to be addressed by the Environment Committee, as part of phase 2 of the traffic calming project.</p> <p>The second issue is the large, heavy lorries who are using the bridge and recently a lorry got stuck and had to be towed away, which caused damage to the bridge. The resident has suggested that a weight limit should be applied to the bridge.</p> <p>Most of the lorries using this route are from Cherwell Valley Silos, therefore, the Clerk has contacted Oxfordshire County Council and Northamptonshire County Council to ask that the matter be investigated, before any serious damage happens to the bridge and it has to be closed. Contact with both authorities was made on 19 January 2021 and 17 February 2021.</p>
Supporting documents; advice, reports etc should always be attached to the report and listed here
