

WFAC REPORT FOR PARISH COUNCIL MAY 2019

WFAC is delighted that for the second time the village has heartily endorsed the building of a new Community Centre, Sport and Recreational facility on the Milton Rd.

WFAC hosted an event at the Institute on May 11th where we were able to show progress so far via a selection of storyboards. It was also an opportunity to discuss proposals for traffic calming and to start a dialogue with the village regarding ideas for Lucy Plackett. We estimate that approximately 60 people came along.

The Milton Road story boards should now be in the library.

We have a series of fundraising events planned:

June 1st Classical Summer Spectacular in St. Mary's Church featuring 2 acclaimed international performers, Lindsey Twomey, piano and Andrew Clarke, tenor. Tickets are £12

June 15th we are hoping to be at Party in the Park working in conjunction with Adderbury Football Club serving picnic/afternoon teas.

On a less positive note, our application for charity status has been rejected which will impact on some of our future plans.
