

## ADDERBURY PARISH COUNCIL

<b>Date of Parish Council Meeting</b>	Tuesday 23 February 2021
<b>Agenda Item Number</b>	<i>Item 12 (iii)</i>
<b>Author</b>	Councillor Stephen Walsh
<b>Title of Report</b>	Cherwell District Council's Covid-19 'Containing Outbreak Management Fund'
<b>Summary</b>	<p>A small amount of funding is available to the APC from this CDC fund. In fact this is money from central government originally intended to help councils pay for the extra costs involved in track and race and other Covid-19 related costs.</p> <p>The APC can apply for what would probably amount to no more than £7500 (£3 per person on the electoral roll in the village). The money can be spent on helping businesses or individuals (self-employed people for instance) who have been hit financially by the pandemic. It is not clear if we could apply for money to help charities in the village but if there is interest we can surely find out.</p>
<b>Recommendation</b>	We should do our collective homework and apply.
<b>Reasons for the Recommendation</b>	To support individuals and businesses in the village impacted by the Covid-19 Pandemic.
<b>Impact on Budget</b>	None.
<b>Risks</b>	None.
<b>Background</b>	N/A
<b>Supporting documents; advice, reports etc should always be attached to the report and listed here</b>	Documents sent out by Cherwell District Council and circulated to the Parish Councillors on 11 February 2021.
