| Date of Parish Council Meeting | Tuesday 28 May 2019 |
| Agenda Item Number | Item 15 |
| Author | Diane Bratt |
| Title of Report | Royal Lime Tree in the Lucy Plackett Playing Field |
| Summary | A royal lime tree has been damaged in the Lucy Plackett Playing Field and it is suggested that it is replaced. |
| Recommendation | That the Royal Lime Tree be replaced. |
| Reasons for the Recommendation | This was one of a number planted recently by the PC and if it is replaced soon it will catch up in growth with the others. |
| Impact on Budget | There is still over £58,800 of Section 106 funds allocated to the Lucy Plackett Playing Field available, which could be used for the purchase of the new tree. |
| Risks | The new tree could also be vandalised. If not replaced it will probably grow with lots of stems, but not satisfactorily. |
| Background | A number of Royal limes were replaced recently on advice from Andrew Barnes. These are all growing well. |
| Supporting documents; advice, reports etc should always be attached to the report and listed here | Quote from Ben Acreman to follow. |
