Title of Report	Bench for The Rise
Summary	To consider a request from a resident for a new bench in The Rise.
Recommendation	To purchase a new bench for The Rise, as part of the overall project under consideration for the new trees. This purchase be referred to the Environment Committee to manage.
Reasons for the Recommendation	To allow visitors to The Rise, who do not have children and do not wish to sit in the play area, to enjoy the wild flower garden.
Impact on Budget	The cost of a bench can vary but would be from £500 upwards. There is currently £1500 in the budget for 2019/2020 for street furniture.
Risks	None.
Background	A resident of The Rise contacted the Clerk asking whether a new bench could be purchased for The Rise. They suggested that it could be located by the wild flower meadow so that people could sit and enjoy it. A project is currently being considered by the Environment Committee with regard to possibly planting new trees on The Rise. Therefore, a new bench would perhaps need to be considered as part of an overall project for The Rise and not just purchased in isolation.
Supporting documents; advice, reports etc should always be attached to the report and listed here	None.
