

<http://workingforadderburycommunity.co.uk/fundraising/>

Planning permission was granted for the proposed community building in May. This is a major step forward in what we think will be a fantastic facility for the whole of Adderbury.

Pitch preparation continues at the Milton Road site and we are continuing with our work on grant applications and finalising the business plan.

We are unable to hold fundraising events at the moment but hope to be able to begin again later in the year. In the meantime, we have a small regular income from Easyfundraising and sales of Cherwell Lottery tickets.

We are continuing to update members and villagers via social media, our website and monthly updates to members.

A leaflet from the WFAC will be delivered to all households over the next few weeks giving positive information on the Governance Review and updating villagers on how the sports and community project is progressing.

Many thanks to Adderbury Parish Council for their very generous grant of £500 which we will be using to help promote our project and maintain the WFAC website. We have also received a £100 grant from Adderbury Farmers Market.
