

Snow Warden Meeting at The Bell Inn, Adderbury. Wednesday 20th November 2019

Present: Laura Walker, Andy Millard, Rebecca McNaught & Nigel Clark.

Volunteers present: Emily Reed & Nicola Sage.

Apologies: Steve Barker & Paul Ness

Overview of the meeting.

Rebecca McNaught introduced AM & LW to the Snow Warden scheme and how well it has worked in Banbury and Deddington. Banbury has 90 volunteers across the town who contribute to the warden project. Deddington has also formed a snow warden group and due to popular demand, they have purchased additional equipment for the village.

There could be some funding that we can obtain for this project to help with purchasing equipment for volunteers etc. AM/LW will meet to discuss a recruitment plan and how we can get the village to engage with this project. Rebecca & Nigel provided us with some high visibility jackets.

Next stage:

- To drum up interest from the village. LW/AM to advertise in the Contact and to look into starting a social media page. December 2020
- Possible training opportunity for volunteers from Banbury Town Council – Mike Hall. January / February 2020
- LW & AM to put together an Adderbury Snow Warden information pack for volunteers.
- To assess the condition of the village grit bins.

Equipment list:

- Snow Shovels for each volunteer.
- One pair of protective gloves for each volunteer.
- Grit spreader (not funded by OCC) £40.00/£50.00
