

ADDERBURY PARISH COUNCIL

Date of Parish Council Meeting	Tuesday 29 March 2022
Agenda Item Number	<i>Item 9 (viii)</i>
Author	Diane Bratt
Title of Report	Long Wall FP proposed improvements
Summary	To note the lack of progress with the proposed improvement to Long Wall FP.
Recommendation	To note the report and resolve to send a request to OCC FP officer and S106 officer that this improvement be progressed asap, preferably this summer 2022. Also to request Councillor Fateiman supports the PC's efforts.
Reasons for the Recommendation	S106 funding is in place . The FP is a very well used one and is very muddy in winter and wet weather.
Impact on Budget	None as S106 funds are available.
Risks	None but if the FP is not improved it will continue to be difficult to walk during bad weather/winter.
Background	<p>Approximately £20,000 S 106 funds from Bloer Homes development (Aynho Rd) have been allocated for Rights of Way improvement. This needs to be spent by about 2024 and can only be used for FPs near the development.</p> <p>The OCC FP officer and the PC Chairman and VC held a site meeting in Oct 2020 and we believed the project would be progressed but when DB chased this spring nothing has happened despite the FP officer's efforts.</p>
Supporting documents; advice, reports etc should always be attached to the report and listed here	Email from FP officer available if requested.
